Headteacher Message

Dear Parents and Carers,

Firstly, let us turn our attention to our diligent Year 1 students, who have been making remarkable strides in their phonics journey. Their unwavering dedication and enthusiasm for learning have been truly inspiring, and we commend their efforts in mastering this fundamental aspect of literacy. This week the children have been completing the national phonics screening check. As always, they have done us all proud with their efforts.

Our Year 6 pupils recently embarked on an exciting educational residential to the JCA. This invaluable experience provided them with an opportunity to brave the high ropes and counter the rapid waters. The children had an amazing time. Follow us on Instagram and X for lots of pictures.

Furthermore, our Year 4 students have been diligently preparing for the highly anticipated Times Tables National Check. Their commitment to mastering this essential mathematical skill is commendable, and we are delighted with their outcomes.

Last but not least, our dedicated teaching staff has been actively engaged in the crucial task of transitioning classes for the upcoming academic year. Their meticulous planning and attention to detail ensure a seamless and well-organised transition, providing a conducive learning environment for our students.

As we reflect on these accomplishments and ongoing endeavours, we are filled with a profound sense of pride and gratitude for the unwavering commitment of our entire school community. Together, we continue to nurture the minds of our young learners, equipping them with the knowledge, skills, and values necessary to thrive in an ever-changing world.

Terrific Timekeepers

We would like to remind Parents/Carers that doors open at 8.20am. Our winners this week were our pupils from Y4. Please ensure your child is on time for school, we have had a lot of disruptions in class this week through pupils coming in late. Thank you

Coats

I know we are in June, but the weather has been terrible. Can you ensure your child brings a coat into school with them.

National Movie Night

Today we celebrate National Movie Night. Gather with friends and family, dim the lights, and immerse in cinematic adventures for an unforgettable movie night. Everyone knows that a movie night without snacks is just... well, it shouldn't even exist! From gummy bears to chips and dips, which movie will you watch tonight?

Just a reminder that Y1 trip payments need to be paid by next Friday.

Well done to our children from Y1 who have completed their phonics screening tests, and also well done to our Y4 pupils who have completed their multiplication checks. All children have been superstars, you should all be very proud.

What Do I Do Outside School?

Well done to Luna from Y4. She plays football for St Annes Rovers as right wing, she recently won 'Girl of the match'. This is amazing, she wants to be a professional footballer when she's older or a singer, so who knows we could see her at Wembley playing on the grass or at Wembley singing on the stage.

FOCUS OF THE WEEK

JCA

Our Y6 pupils have been on their residential trip to the JCA in Conover Hall this week. They have done abseiling, zip wiring, kayaking, high ropes, trapeze, laser maze, they have done it all and had an amazing time.

Crucial Crew

Last week our Y6 pupils went to Crucial Crew. Crucial Crew supports young people's transition from primary to secondary school and Year 6 pupils are invited to come along to learn essential skills and knowledge that would help them when they move to secondary school from September.

The aim of the campaign is to support children to become more aware of personal safety and road safety, learn about crime prevention, avoid being a victim of crime, know what to do in an emergency, foster good citizenship and actively contribute to their own health.
